Larimer County Fair

The Current Structure

Evaluate the Event

Where are we?

Are there any
changes we might
want to make?

How might we do
that?

Plan

To look at the current structure of the Larimer County Fair in two areas (Open Class and the Youth Livestock Show) and explore other structures might exist, both in overall format and in stakeholder involvement

Work Groups

- Create two work groups that:
 - Gather information on the current structure
 - Stakeholder involvement
 - Organization and Implementation
 - Explore other structures and potential alternative methods
 - Look at other county fairs
 - Gather stakeholder information
- Provide suggestions on the overall structure based on findings

Stakeholders currently involved in planning and implementation of any County Fair events

Example – Youth Livestock Show Work Group:

Superintendent
(1-2)

Extension
Advisory (1-2)

Fair board
members (1-2)

CSU Extension
(1-3)

The Ranch (1)

Who would be in the Work Group?

Some Questions that will be explored...

What is the overall structure of our county fair?

What do other local county fair structures look like?

How are events organized and implemented at the county fair?

Are there other ways these events might be organized and implemented?

What is the overall stakeholder involvement in planning?

What other stakeholders might be involved?

Some topics that might be explored...

Premiums and Awards

Creation of rules and premium book

Creation of the schedule

Adding/removing classes

Appointment of Superintendents

Overall logistics

Roles of Stakeholders
